Here's What Warren Buffett Thinks About Tesla And Elon Musk

Berkshire Hathaway Inc. (NYSE: BRK-A) (NYSE: BRK-B) CEO Warren Buffett is one of the most successful and well-respected investors of all time, and Tesla, Inc. (NASDAQ: TSLA) is one of the most controversial investments on Wall Street these days. So when Buffett recently sat down with Yahoo Finance for an interview, it's only natural that editor-in-chief Andy Serwer would ask Buffett about Tesla and its CEO Elon Musk. Berkshire has never invested in Tesla, but the company held \$1.57 billion ...

Warren Buffett shares an unfortunate story that reflects Berkshire Hathaway's incredible scope

Warren Buffett's Berkshire Hathaway (BRK-A, BRK-B) is massive in both scope and scale. The holding company, worth \$559 billion, owns businesses ranging from insurance to furniture to energy utilities to chocolate. In his annual letter to Berkshire Hathaway shareholders, Buffett shared an unfortunate story that "underscores the wide scope of Berkshire's operations." "Since 2011, we have owned Lubrizol, an Ohio-based company that produces and markets oil additives throughout the world. On September 26, 2019, a fire originating at a small ...

Warren Buffett warns coronavirus will affect business, but he 'certainly won't be selling' stocks

Warren Buffett, chairman and CEO of Berkshire Hathaway (BRK-A, BRK-B), says the stock market rout we're witnessing today is "good for us." "We're a net buyer of stocks over time," he said on CNBC. "Most people are savers, they should want the market to go down. They should want to buy at a lower price." Buffett's comments came as Dow futures (YM=F) were down by about 800 points or 3%. Stocks around the world plunged on Monday as the coronavirus ...

Warren Buffett's Berkshire Hathaway Loses Buyout Bid to Private Equity | Observer

Warren Buffet may be breaking his business tradition in order to make good use of Berkshire Hathaway's dangerously big cash pile. Justin Sullivan/Getty Images Berkshire Hathaway chairman Warren Buffett has a record pile of cash, a whopping \$128 billion, sitting in the investment firm's \$700 billion money chest—with which the 89-year-old investing legend has said he's looking to fund an “elephant-sized acquisition.” Buffett found his first target about two weeks ago. As first reported by CNBC, Berkshire Hathaway drafted a ...

Buffett's Berkshire Hathaway was responsible for 1.5% of the taxes paid by corporate America in 2019

“In 2019, Berkshire sent \$3.6 billion to the U.S. Treasury to pay its current income tax,” Buffett said in his annual letter to shareholders. “The U.S. government collected \$243 billion from corporate income tax payments during the same period. From these statistics, you can take pride that your company delivered 1½% of the federal income taxes paid by all of corporate America.” Berkshire Hathaway is massive. The \$560 billion company had operating earnings of \$24 billion in 2019. Including all ...

Revealed: Warren Buffett's Favorite Christmas Gift to Give and Receive | Observer

It's a headache to think of a Christmas gift for someone who already has everything. It's painfully true the other way around, too. Put yourself in the shoes of Warren Buffett, for example. What can possibly be an appropriate present to give to your family and friends when everyone knows that you're

the fourth wealthiest person in the world? It's comforting to know that, for a while, Christmas in the Buffett family was exactly what you'd think, where the billionaire ...

Urban Legends: Warren Buffett's Congressional Reform Act of 2013

Netlore Archive: Viral text purporting to have the support of billionaire Warren Buffett advocates passage of a so-called "Congressional Reform Act of 2013." The quote from Warren Buffett is accurate — he uttered the quip about ending the deficit in five minutes during a July 7, 2011, interview with CNBC's Becky Quick — but the chain letter above was neither written nor endorsed by Buffett. Nor is the "Congressional Reform Act" an actual piece of legislation. It has never been ...

Warren Buffett: How He Does It

Who hasn't heard of Warren Buffett—one of the world's richest people, consistently ranking high on Forbes' list of billionaires? His net worth was listed at \$89.1 billion as of early 2020. Buffett is known as a business man and philanthropist. But he's probably best known for being one of the world's most successful investors. Which is why it's not surprising that Warren Buffett's investment strategy has reached mythical proportions. Buffet follows several important tenets and an investment philosophy that is widely followed around the ...
